

Subject: School of Ministry 2022/ 2023 - Enrollment Open

31 May 2022

Dear Alumni,

Enrollment for RHEMA Singapore's School of Ministry 2022/2023 is now open! With physical classes resuming, we are also resuming in-person School of Ministry. The School of Ministry (SOM) equips trainees for the work of the ministry - specifically the transformational sharing of God's Word in a group setting.

If you have a desire to grow in your ability to effectively minister God's Word, please prayerfully consider being equipped in the School of Ministry 2022/2023 (October, November and January). We have attached the information pack for you for your convenience. For those interested in applying, please submit your application by 31 August 2022. Feel free to contact Kay if you have any questions.

If you would like to have a chat with us regarding your participation, please let Kay know so that a mutually convenient time can be arranged. Depending on availability, either we or an instructor, will be happy to chat with you. You can contact Kay at:
